between 9-15 years**

COST \$90.00

Hockey Talent Development Camp

The Talent Development Camp is an ideal opportunity for players of all levels to enhance their Hockey skills prior to the Hockey season. The camp is designed to cater for all players regardless of Hockey ability focussing on player development as well as player talent.

Under the guidance of Academy coaches, participants will be exposed to coaching at its highest level.

Camp Sessions Involve:

Ball drills, Footwork, Fitness, Specialist skills / drills, fun sessions and games.

Important Message for Young Hockey players:

The Southern Sports Academy operates a development program for pre-elite level young hockey players each year. This program is endorsed by Hockey NSW and is designed to equip the athletes involved with the necessary skills to make it to NSW representation and beyond.

The basis for staging a talent identification camp is to provide the staff of the Academy and Hockey NSW coaches the opportunity to witness first hand the skill levels of athletes that may be involved in the Southern Sports Academy Hockey Program in the future. The camp is also designed to heighten awareness of the Academy Hockey Program with a view to having as many deserving athletes in Southern NSW involved in the program in the future.

This camp is closely linked to the existing Southern Sports Academy Netball Talent Identification Camp which attracts around 250 young Netballers from throughout the region each year. We hold this camp annually with a view to providing young hockey players the opportunity to showcase their skills in front of Academy selectors and coaching staff.

Greg McLay
Executive Director
