Netball Talent Development Camp

The Talent Development Camp is an ideal opportunity for players of all levels to enhance their Netball skills prior to the Netball season. The camp is designed to cater for all players regardless of Netball ability focussing on player development as well as player talent.

Under the guidance of NSW Netball coaches and Academy coaches, participants will be exposed to new developments in the game as well as coaching of the highest calibre.

Camp Sessions Involve:

Ball drills, Footwork, Fitness, Specialist skills / drills (Centre Court, Defence, Shooters), fun sessions and games.

Important Message for 15 Year Old Netballers:

Netball NSW has made a change to the development pathway for 15 year old athletes, with all Regional Academies being asked to select a 15 Years Development Squad each year. This squad will be selected at an official trial on July 18 at the Junee Recreation Centre.

This squad will then attend the annual 15 years Academy Tournament in Sydney where the 15 Years NSW State Development Squad will be selected.

The Southern Sports Academy will use this upcoming 12-15 year age TID camp to identify promising 15 year old athletes who may be vying for selection in the 15 years development Squad. We will also be identifying talented young athletes who may be eligible to trial in future years.

We would therefore encourage all athletes within this age bracket especially to attend the Camp this year. This camp is not a trial as such, but will serve as a key component of our talent identification process.
